- Relaxation** 3.(a). However, candidates belonging to the Schedule Caste or Schedule Tribe Community taking up Honours Course of Study shall enjoy 5% relaxation in marks in (I), (II) & (III) above, as the case may be.

- (ii) While calculating such aggregate full marks of each such subject will be scaled down to 100 wherever needed.

- Merit List** 4.(a). Admission will be strictly on the basis of merit. Merit list will be prepared uniformly on the basis of the following criteria :
- (i) In case of Honours courses : Aggregate (as per previous explanation) plus the marks obtained in the subject in which he/she intends to take up honours or related subject. However, students who avail themselves of the Rule 3(III) will not get the benefit of 'related subject'.
- (ii) In case of Major and General courses : Merit list will be prepared on the basis of aggregate.

- Publication of Merit List** 4.(b). For admission to Honours courses complete list of all applicants according to merit to be published at the first instance and admission be done preferably through counseling in accordance with the intake capacity.

- 4.(c). For admission to Major and General courses list of applicants in order of merit to be published in accordance with the intake capacity.

- More than one candidate at the same merit position** 4.(d).[†] While admitting candidates from the merit list if it is found at some point of time that the approved intake is likely to be breached due to sharing of the same merit position by more than one candidate then in that case all the candidates at that particular merit position may be admitted subject to prior approval of the Vice-Chancellor and the excess admission will be granted only for that year.
